Minutes of Meeting

Subject:	Meeting with Krishna Ragil from Haemograph
Group name/ identifier	Group 24
Meeting Location, Date & Time	Online on Microsoft Teams Date – 30 July 2026, Time – 12 pm to 1 pm
Group members present	Jianhao Zhang, Ria Mishra, Rohan Roy Mathew, Xingcan Wang, Xuan Zhang
Apologies	

1 Items discussed and decisions made

Item	**Decision (if applicable)**
Project direction	Establish the workflow: **Raw Data → Preprocessing → Model → Results** before implementation.
Literature review	Each member will review one of the five assigned papers.
Presentation	Each member will give a 10-minute presentation at the next meeting.
Preprocessing	Focus on feature extraction, signal processing, and wavelet-based methods.
Evaluation	Develop consistent criteria to compare different approaches.
Resources	Search for related papers, datasets, and GitHub implementations.
AI tools	May be used for support, but original papers remain the primary source.
